§ 1230.75

(a) Each State association shall receive on a monthly basis, a percentage determined by the Delegate Body or 16.5 percent, whichever is higher, of the net assessments attributable to that State. The net assessments attributable to a State is the total amount of assessments received from producers in a State.

(b) A State association which was conducting a pork promotion program in the period from July 1, 1984 to June 30, 1985, shall receive additional amounts at such times as the Board may determine, so that the total amount received on an annual basis would be equal to the amount that would have been collected in such State pursuant to the pork promotion program in existence in such State from July 1, 1984, to June 30, 1985, had the porcine animals subject to assessment, been produced from July 1, 1984, to June 30, 1985, and been subject to the rates of assessment then in effect from such State to the Council and other national entities involved in pork promotion, research, and consumer information. This paragraph shall apply to a State association only if the annual amount determined under this paragraph would be greater than the annual amount determined under paragraph (a) of this section.

(c) The Council shall receive on a monthly basis 35 percent of the net assessments until after the referendum is conducted, and 25 percent thereafter and until 12 months after the referendum.

Whenever the Board or the Department determines, through an audit of a person's reports, records, books or accounts or through some other means that additional money is due the Board or that money is due such person from the Board, such person shall be notified of the amount due. assessments as provided in § 1230.71(b)(3). § 1230.76 Charges.

Any assessment not paid when due shall be increased 1.5 percent each month beginning with the day following the date such assessment was due. Any remaining amount due, which shall include any unpaid charges previously made pursuant to this section, shall be increased at the same rate on the corresponding day of each month thereafter until paid. For the purpose of this section, any assessment that was determined at a date later than prescribed by this subpart because of a person's failure to submit a report to the Board when due shall be considered to have been payable by the date it would have been due if the report had been filed when due. The timeliness of a payment to the Board shall be based on the applicable postmark date or the date actually received by the Board, whichever is earlier.
